MARCH 2026

Newsletter

May God richly bless you all,
and remember, keep the fire
burning for Jesus!

Tommy and Andrea Elmore

Our 2026 season has finally come to an end in Bouandougou. This year was full of challenges, but God helped us to persevere in faith as He did what He does best. Countless thousands were saved, healed, and delivered, as God poured out His Spirit in great measure. Some of the greatest testimonies were from many that simply were saved in dramatic fashion. People who seemingly were at the end of the line, received Jesus and began their new lives in the light of His salvation. Those who sat in darkness, truly saw the Light.

Most of our meetings were in Muslim cities where many of them had never heard the gospel. Jesus was unknown among so many people, but not anymore! The Word of God is like a hammer that breaks the rocks in pieces. Lives were changed, bodies were healed, souls were saved, and the gospel was preached.

We had to work through so many difficult conditions like Malaria among our team members, several flat truck tires, equipment failure, power outages, truck failure (had to leave one of our trucks in the middle of Ivory Coast), still working on a way to bring it home, generator failure, etc. Despite all these things, the crusades were all successful, filled with God's glory, lives saved, hope restored in the hearts of broken people, and the good news of the gospel was preached! The devil can never win, because when God is for us who can be against us!

Healing testimonies:

- 1) A man had terrible pain in his leg for 10 years making it difficult for him to walk, during prayer for the sick, he said, "my leg began to move" and then all pain vanished. He said to the crowd, those who are sick like me, come, Jesus is the solution!
- 2) A Woman had 5 years of terrible pain in her stomach, she was healed!
- 3) A man came who suffered from Diabetes and had to urinate excessively was also healed.
- 4) A woman had pain in her feet for 28 years, since childhood she suffered. The pain all vanished and she could walk freely.
- 5) Another woman came who had multiple issues, could not walk, eat well, back pain, stomach pain, toothaches, diabetes, sores/ skin cancer. Jesus the Great Physician fixed everything.
- 6) A woman nearly completely blind began to see.
- 7) A woman who had pain in her head came. Her left ear was also deaf for 4 years. Pain vanished, and deaf ear was opened.

We want to thank everyone a thousand times again and again, thank you for your prayer and financial support for us.

We fly to Europe on March 30 and will spend time in Switzerland and Austria, where I will be preaching in different churches, and do some teaching in a bible school. Then in May, we will fly to Texas.

We love you guys and hope to see many of you this summer!
