NEWS LETTER

March, 2026

There were so many wonderful things that God did. Keep in mind this meeting took place on hard ground. Most of the people in this city were Muslims. Mosques were everywhere. God did a deep penetrating work that will never be forgotten by many people.

We had an amazing time in Tieningboue. Our Heavenly Father really helped us as we had so much trouble in Mankono with local power failure, equipment failure, flat truck tires, etc.

Everything worked very well. We had no issues with our equipment this time by the grace of God. The crowds were not as big as we had hoped for, but many came and were healed, saved, and received deliverance by the power of God.

Nearly 3,000 children were given the message of Jesus in the children's ministry. It is incredible to hear them pray the prayer of salvation from their hearts. Most of them were Muslims.

God's grace was poured out in so many ways. Several people stood and testified how they had many infirmities, troubles, and problems, "but tonight, I received Jesus" they proclaimed!

Here are a few testimonies

An old woman came who had terrible knee and back pain. She was bent over making it difficult to walk, life was hard for her. She was bound many years until Jesus touched her. All pain vanished and her back was made straight.

A young girl was delivered from Epilepsy, no more seizures and torment from this evil spirit.

A young man came who could not communicate, speak, or talk. His condition has been since he was born. No one could understand him. On the stage, he began to speak and answer questions. Jesus had touched him.

Another young man had pain in his side, stomach, groin, and hips. He said that he could not walk. The hospital could not help him, so he came to the meeting. He accepted Jesus, was saved, and then all pain and sickness left his body!

A woman testified and said, "I was a Charlatan (an evil person living an evil life) always doing bad things" She had pain all over her body. She said tonight I accepted Jesus, and all her body pain disappeared.

A young girl was completely healed from 6 years of ulcers

Another young girl had eyes that were so sensitive that she could not stand to look at any kind of light. The light of Jesus began to shine upon her, and her eyes were completely healed.

Our next meeting will be in **Bouandougou**, another city dominated by Islam. Please pray for this meeting, that God's power and might will be demonstrated, and that the chains of lies and deception will be broken.

We thank again all of you who pray for our team. We also want to thank everyone who has given support to us financially.

May God's richest blessings be upon you. We share the fruit of all that God does together.

In His service for the lost,

Tommy and Andrea Elmore
